Exquisite Holiday Decorations

Holiday Centerpiece

Crafted from several varieties of lush and fragrant Minnesota evergreens, our wicker basket is filled by skilled designers to provide a long-lasting decoration for indoor use. Balsam fir, pine and cedar are intermingled for a luxurious addition to anyone's Holiday decor.

Decorations include a large stem of red cherries, several natural pine cones, cluster of birch tips and a beautiful multi-loop MAGIC-PULL decorator bow.

All our components are carefully assembled within a wicker basket that holds a plastic liner and large piece of wet floral foam that can be watered periodically to keep the centerpiece fresh during the Holiday Season - **NO LEAKS OR SPILLS EITHER!**

Neatly packaged in a specially designed box to insure safe arrival.

NOTE: About 13" high - materials may vary somewhat due to availability. MAGIC-PULL decorator bow comes separately and is quickly and easily assembled and attached by customer.
